

BIBLE TEXT REF.
ISAIAH 58:3-6
(NKJV)

Ministering:
Rev. Biodun Fatoyinbo

The greatest revival in the Bible happened in the days of Jonah. God sent him to Nineveh and he went to Tarshish. When he went to Nineveh, he told them God wanted them to fast and pray. The king surprised him and made everyone to fast, so much so that God turned and changed His mind.

Rev. Biodun Fatoyinbo

This is a chosen and commanded fast. This isn't a fast where you decide if you want to participate in it or not. If you see the devil attack anything, there's something special about that thing being attacked.

Find people to break your fast with, particularly on Sundays.
